To Whom It May Concern:

Our company has worked with Bob Dewberry to do Contracts, Real Estate transactions, Recoup lost investments and as defense counsel in Business lawsuits.

We like Bob's "real world" approach to complex legal issues. He has a logical format to his thinking and always brings our needs and concerns to the forefront. He takes the necessary steps to be certain we understand and agree with the process the entire way, and conveys the legalese in easy to understand terms. He has been successful on every occasion we have utilized his services. He took the time to understand the concepts involved and acted promptly when required. Bob has proven to be creative and persistent in pursuing our company's goals in all instances. Bob also keeps an eye on legal costs and is consistently mindful to reduce costs as related to the service involved and potential outcomes.

I highly recommend Bob Dewberry as an attorney and his entire organization at The Dewberry Firm for their abilities and follow through.

Sincerely,
