To Whom It May Concern:

I have known Robert Dewberry for over fifteen years in a professional capacity. Bob was handling my previous employer's legal matters. His hard work and legal advice helped us win most of our cases. After eight years of dealing with him, I moved on to another company and recommended Mr. Dewberry to my current employer to manage our legal and professional matters.

For the past eleven years he has been responsible for all our legal matters here including, but not limited to, delinquent accounts and overseeing minutes for the Board of Directors. Our experience with Bob has been very successful due to his knowledge and his keeping up with new laws and regulations.

I would recommend Bob very much to any companies in need of legal and professional advice.

Sincerely,

Nahed Stumpf
