Bob Dewberry helped me with a difficult landlord/tenant problem. I subleased a portion of my retail store to a youth-oriented apparel retailer who turned out to be the tenant from hell. The subtenant was disruptive and disrespectful and refused to pay his rent. With Bob's help, I collected all of the delinquent rent (over \$50,000) and evicted the subtenant. Bob was helpful and supportive throughout the process and a tiger in court. I can't say enough good things about him!
