Please accept my apologies for being slow to respond. My testimonial:

Bob Dewberry and I have served as local counsel for each other's clients in California and Texas, respectively. As California counsel for my client, he has been diligent in assuring that we comply with California procedure. He has also provided invaluable assistance in jump-starting settlement discussions. With regard to the Texas litigation, Bob smoothly facilitated the flow of timely information and decisions from his client to enable me to complete my job successfully. I enjoy working with Bob and hope to continue to do so in the future.
