Subject: Help Bob Dewberry

Bob has been our attorney for over 15 years, starting when he was in Whittier with Bewley, Lassleben & Miller. He started our with collection litigation and has evolved into out Corporate Attorney. He has handled everything from a sexual harassment case to our corporate split that was very complicated and involved several parties. Bob has always handled everything to our up most satisfaction and everything ends up settling in our best interest. We would highly recommend him for a Corporate Attorney; he has always been honest, sincere and extremely hard working. Plus I consider him a friend, and that is a lot said for an attorney!!
